COM

Customer's Own Material

Yardage listed in this price list is based on a worst case scenario: non-railroaded fabrics and small quantities of chairs. If your fabric can be railroaded or you are ordering a large quantity, please contact Customer Service for actual yardage requirements, which may be less than the published amount.

We will always make our best effort to pattern match at seams, but pattern matching results are not guaranteed.

Generally, commercial quality fabrics require no prior approval. We recommend latex-backed fabrics of man-made fibers, 9 oz. per running yard or better. If the fabric you choose to send us is not of this quality, please discuss the fabric and its use with Customer Service before sending us the fabric.

Fabric

Yardage of Sitmatic fabric is available at the following list prices:

- Cat 2 \$ 50.
- Cat 3 \$ 75.
- Cat 4 \$ 95.
- Cat 5 \$195.
- Cat 6 \$310.
- Cat 8 \$165.

Return Policy

Because Sitmatic's product is custom manufactured to meet exact customer requirements, we ask that you take care in specifying. In the event that you need to return chairs, normally up to 75% is charged if ordered in error by the customer. If in Sitmatic's judgement, the product is in new condition and readily resalable, the restocking fee may be waived or reduced. Contact Customer Service for specific item information. Some products, particularly custom engineered items that are individual specific, cannot be accepted for return.

Cancellation Charge

No cancellation charges will be assessed if the customer cancels prior to production. Commencement of production constitutes Sitmatic's procurement of order specific components or actual construction of the seating, whichever is earlier. Usually, but not necessarily, this is one week before shipment. After production begins, actual and reasonable costs will be charged. All cancellation charges will be billed within six months after notification of cancellation.
